

BEN DOUGHTY – CM / WINGER (very fast)

PLAYER SUMMARY AND CLUB EXPERIENCE

Ben is a highly rated winger who plays for Prudhoe Town FC in the Northern League Division 2 (Level 10 of the pyramid which includes the EPL at 1). This is a high level of amateur men's football in the UK. Prior to Prudhoe, Ben played with Gateshead FC (Level 5) where he was an Academy player to U19 level. He has played with the 1st Team and Reserves. He regularly trained with the first team during his last year. Ben is a fast CM or Wing player who can play comfortably either side. Ben can use both feet well but his right foot is his more dominant. He attended Gateshead College Academy for Sport which has a top reputation for producing players recruited by Scholarship Connect who do well in the USA. A very athletic player, Ben has strong stamina and covers a lot of miles during the game. He has a good passing range, is a talented dribbler who can wrong foot defenders. His space awareness is excellent. We would describe his temperament as calm, confident and in control. Ben does not captain the team but pushes player strongly, works very hard and demands the same from others. He has excellent communication skills and a strong positive attitude. Ben enjoys playing in teams with quick passages of playing. In his attacking role he is always looking to take players on and is very creative. He plays a pressing game on the front foot, loving to dribble and frustrate the opposition. Because of his trickery, Ben often wins free kicks for the team. As a CM he can dictate the tempo of the game although when in possession as mentioned, is keen to push the ball forward on the turn and into the channels. As a winger he is always looking to interplay return with the striker or attack the defender to cross or shoot. Ben is very, very fast.
