Rob Reid - "Ellis is an excellent team player who always gives his all and is always willing to listen to advice, he is a pleasure to coach".			
Neil Cooper - coops3611@gmail.com			
Neil Cooper - "I have known Ellis Crawford for over a year as I started coaching him in the 2019/20 season. Ellis has a great attitude and is at training at every session. He listens, takes in what is asked of him and is a very coachable player. He is willing to learn and can play anywhere across midfield , centrally he can get on the ball and pick passes , right side can deliver a good cross , left side cut in to create or shoot . Ellis is a tidy player who is good on the ball , needs to work on his defensive side but has improved this and will continue to improve over the next few years .Ellis will be a good asset to any college or University that he attends".			
Kane Wears - kane.wears@gateshead.ac.uk			
Kane Wears – "Ellis has been an asset to Gateshead Football Academy. Ellis' superb attitude allows him to want to learn from coaches, ask questions and want to progress. His infectious enthusiasm and likability has allowed him to forge good relationships with both players and staff. Ellis currently plays in midfield where he can show his quality in possession, with the ability to differentiate his range of passing, but also step in and dribble with the ball and exploit space. Out of possession, Ellis scans and screens the back line well, using his strong communication skills to be able to ensure that others around him are understanding of what is expected. Within transitions Ellis can exploit space well and also support within counter attacks. Ellis' adaptability has also seen him play in defence where he has shown his quality out of possession & in defensive situations such as in 1v1 defending, holding the line and being able to deal with aerial threats"
