

KODJO JAMES TAYLOR BAKOU
RW / RB

PLAYER SUMMARY AND CLUB EXPERIENCE

James is a fast right winger or wing back or full-back who plays for Chester le Street United in the Northern League (Adult Amateur). Chester le Street is a top program in the N/E of England. Players have gone pro from there. James is very comfortable on the ball and likes to build play from the back. He is a modern day defender who can expertly manage his defending and overlapping attacking duties to be extremely effective down the side of the field. His delivery to the box is good. James is very fast. His strengths including getting forward, passing range, anticipation/reading play/awareness; and running with the ball (at pace). Defensively he is good at recovery, keeping shape and very strong in the tackle. Strong communicator with a cool head.

<p>COACH COLIN WOTHERSPOON</p> <p>I have worked with James for 3 years at Park View Academy and coached him when he played for Newcastle County select team, First of all his attitude to training and being part of a team has always been of a high standard, he takes on information well in training and games, he has a high level of technical ability which allows him to handle the ball with ease and is physically strong and quick, james is one of those lads who always works hard to improve and never ever gives the coach any problems, A top lad to have in any group</p> <p>COACH JOHN GAMBLE</p> <p>James has been with our Football Academy for 3 years and has improved throughout the time he has been here. In a very good group, he has shown great versatility in playing in various positions from a defender and in midfield where he can play in the centre or out wide. He is a excellent athlete with pace and has very good technical ability, showing good receiving skills, a good range of passing and a understanding of his responsibilities on the pitch. He has great attitude towards the game and an excellent team player.</p>
